# Welcome to EFMC 2013 in Prague

## Welcome Note

Dear Ladies and Gentlemen, Members of the IFMA and EuroFM,

We are very pleased to invite you on behalf of the host organizations IFMA CZ and SAFM (Slovak Association of Facility Management) to the annually most outstanding event of Facility Management in Europe. EFMC continues the tradition of the WWE, which until 2003 was organized by IFMA in Europe. The last and one of the most successful conferences was held in 2003 in Prague. Therefore, it is symbolic that after 10 years, Facility Managers will meet again in our historical city. We believe that EFMC 2013 will help to build stronger links between traditional EU countries and the rapidly-growing countries of Central and Eastern Europe (CEE). Prague, the historical and cultural center, is geographically located in the center of Europe. In May 2013, however, for few days it will become a center for Facility Managers not only from Europe but also from all over the world.

We believe that the professional associations of the Czech Republic and the Slovak Republic will not only be good hosts, but will also practically demonstrate that two peacefully divided countries can unite again for good and innovative ideas.

Ondřej Štrup,  
President IFMA CZ,  
Vice Chair EuroFM

Doc. Ing. Věra Somorová,  
PhD,  
President SAFM

## Welcome Reception at Villa Richter, 6 p.m.

The ice-breaking Welcome Reception will take place on May 22<sup>nd</sup> at [Villa Richter](#). Villa Richter (a classicist summerhouse from 1836) is an integral part of the St

Wenceslas' Vineyard, which dominates the area above the Old Castle Steps. The whole complex of the St Wenceslas' Vineyard and Villa Richter is surrounded by a panorama of Prague Castle.

Thursday, 23 May 2013

## GALA DINNER at Žofín Palace

The neorenaissance [Žofín Palace](#) is one of the most notable architectural treasures. The Large Hall regularly hosts the most prominent personalities from business, politics and the arts in this country and abroad. It's located in a venerable park with a fantastic view over Prague's historical panorama. The magnificent and gloriously decorated halls with original paintings and stuccowork on the ceilings are featured with modern lighting, sound and projection technology and air conditioning.

Thursday, 23 May – Friday, 24 May 2013

## European Facility Management Conference & 12<sup>th</sup> EuroFM Research Symposium

[Prague Congress Centre](#) is one of the dominant landmarks of the capital with a wonderful panoramic view over Prague. The leading European congress centre has high technical standards. Thanks to the excellent acoustics it is ranked among the thirteen best concert halls in the world. The hall extends from the first to the fourth floors and a group of Czech and foreign specialists in acoustics helped with its design. Prague Congress Centre is proud to have had the honor of hosting some important international events, e.g. the Annual meeting of the Board of Governors of the International Monetary Fund and the World Bank Group (2000), the NATO Summit (2002) and the Czech Presidency of the Council of the European Union (2009).
